

WHAT MAKES GOD GREAT?

- Have you ever thought about what makes the God of the Bible different from other gods?
- While God has anthropomorphic (Human-like) traits, His nature and attributes are incomparable to those of humanity.
- There will always be an element of mystery about God's greatness. However, the Bible does give us a picture of who God is.

I. HIS INFINITY

A. The Bible teaches that God is infinite and He is the _____.

B. God is an _____ and has no _____. He has not been _____ and cannot be limited in time or location – God was before space and time.

- _____

- _____

C. All _____ are tied to a location, but God is _____ – without restrictions or boundaries.

- _____

D. Time does not apply to God – He was _____.
God does not _____.

- _____
- _____

II. HIS SPIRIT

A. God's essential being is _____ – He is not _____
_____ and does not possess a physical nature
that would limit Him to a particular place and time.

- _____
- The woman of Samaria had a false concept of God and
needed to know that the _____ is always
more important than the _____.

B. Spirit is something _____ – just like
_____. God is invisible, but real.

- _____
- _____

III. HIS IMMUTABILITY

A. God is _____ in His character, will and covenant
promises. He cannot undergo real or intrinsic change in any respect.

- _____

- _____

B. God is never _____ and is always _____.
He _____ as when He gave Christ
to die for us.
